

# 742 FIBERGLASS PRODUCTS

## EVERCOAT®

### Everfix Epoxy Resin

Super-strong, 50/50 mix all-purpose resin for fiberglassing, molding, laminating and repairing. Use on aluminum, steel, fiberglass, close-grained hardwoods and styrofoam. Use with Sea-Glass® Cloth and EVERCOAT coloring agents.

ORDER NO.	SIZE	CTN.	PRICE
FIB 643	Quart	6	\$56.16

## EVERCOAT®

### Fiberglass Gel-Coat

This new gelcoat is a resilient, isophthalic polyester coating, which does not require PVA or other air-inhibitor to cure to a hard surface. The One-Step Finish Premium Gel-Kote has added ultraviolet inhibitor to increase weathering stability.

ORDER NO.	DESCRIPTION	PRICE
FIB 5670	One Step Finish Gel Kote, White Pint	\$34.88
FIB 5671	One Step Finish Gel Kote, White Qt.	\$56.75

## EVERCOAT®

### Gel Coat Scratch Patch

Make easy, permanent, color-matched repairs on hairline cracks, small scratches and chips in gel coat without sanding or using catalyst. Mistakes in color matches can be removed with mineral spirits, to allow another match. Blend colors for color match. Use Resin Colorant to tint white Scratch Patch for close color match. Repair fiberglass boats, autos, bathtubs, shower stalls and hot tubs; works on any gel-coated surface. Clear, hides scratches on most dark colors. Kit includes 1/2 fl. oz. liquid patch material, applicator tool and instructions.

ORDER NO.	COLOR	CTN.	PRICE
FIB 5651	Clear	10	\$12.85
FIB 5652	White	10	\$12.85
FIB 5653	Buff White	10	\$12.85

## Poly-U-Foam

A two-part liquid urethane foam. For use in hulls and cavities for floatation or insulation. Closed Cell. Not affected by gas or oil. 2 lb. per cubic foot density.

ORDER NO.	SIZE	CTN.	PRICE
PLG 1800	2 Quart Set	3	\$54.42
PLG 1810	2 Gallon Set	2	\$183.72

## PETTIT

### FlexBond Epoxy Kit

Flexbond Elastic Epoxy Resin Technology was developed in the 1980's for the aircraft industry and is the most advanced high performance epoxy available to the marine industry. Can be used above and below the waterline in large and small repair jobs, on fiberglass, (including blister repair), wood, steel, and aluminum hulls and topside sections with spectacular results. The duo-dose pistol acts as a mixing control system to assure a perfect mixing ratio of Component A and B (3:1). Order No. PET4033 Pistol Separately (Required). Boxed set of A/B tubes with gloves.

ORDER NO.	DESCRIPTION	PRICE
PET 7076	Flexbond Epoxy Kit	\$93.94
PET 4033	Flexbond Duo-Dose Pistol	\$62.58

### Protective Clear-Coat

- Corrosion resistant / Weather resistant / Rejuvenates / Reduces Maintenance
- Won't chip, crack or peel
- Formulated for both metal & fiberglass
- Makes future cleaning much easier
- Non-conductive and static free-prevents harmful electrolysis

ORDER NO.	SIZE	STD CTN.	PRICE
TNB PA1000	12 oz. Aerosol	6	\$19.95
TNB P1000	Gal.	4	\$79.95
TNB P1005	5 Gal.	1	\$379.00

## EVERCOAT®

### Filler Spray Foam

Spray Foam is a one-component foam that can be used for boat flotation, sound proofing, and for insulating hulls. It also caulks and fills. It will adhere to wood, metal, and fiberglass.

ORDER NO.	SIZE	CTN.	PRICE
FIB 654	12 oz.	12	\$18.05

## EVERCOAT®

### Gel Coat

A highest quality ISO NPG marine gel coat to permanently repair or replace the original, high-gloss gel coat finish. Use to fill gouges, chips, scrapes and deep scratches in fiberglass gel coat. Gel Kote is a non-run, non-sag formulation of rigid, flexible polyester resins to produce resiliency and toughness. Use EVERCOAT Color Agents to tint Gel-Kote to desired color.

ORDER NO.	SIZE	COLOR	CTN.	PRICE
FIB 5673	Pt.	White	12	\$28.72
